#### **4.0 Minimum Qualifying Requirements for the Bidders:**

**4.1** The Bidder should meet the qualifying requirements stipulated in any one of the qualifying routes i.e. Route- 4.1-A or 4.1-B including requirements stipulated in sub clauses of respective Route. In addition, the Bidder should also meet the requirements stipulated under section ITB.

#### **(A) Bidding through Qualified Dry Sorbent Injection System Manufacturer (QDSIM)**

**1. Technical Criteria:** The Bidder should meet the following requirements:

- a) The Bidder should have designed, engineered, supplied, erected/supervised erection and commissioned/supervised commissioning of at least one (1) no. of Dry Sorbent Injection System, in a coal fired unit, having flue gas flow of not less than 4,00,000 Nm<sup>3</sup>/hr, with Sulphur Dioxide capture efficiency of at least 50%. The above DSI-FGD system should be using Sodium Bicarbonate as reagent and should have been in successful operation for a period not less than one (1) year prior to the date of Techno-Commercial bid opening.
- b) Foreign based QDSIM shall participate through following route:
  - i) Its subsidiary company in India.
  - ii) Forming JV with Indian Company registered in India.
  - iii) Consortium with Indian EPC Company registered in India (Consortium leader shall be Indian partner).

The bidder in this case shall be one of the Sr. No. i to iii above.

	<b>MAHARASHTRA STATE POWER GENERATION CO. LTD.</b>	Volume: I
	Tender RFx : 3000021813	Section: IFB
REV: 00	INVITATION FOR BIDS (IFB)	Page : 9

- c) QDSIM should submit performance certificate regarding satisfactory operation of FGD system from any end user along with relevant Purchase Order/Contract Agreement. Such system should have been in successful operation for a period not less than one year prior to the date of Techno-commercial bid opening.

**2. Financial Criteria:**

- a) Average Annual financial turnover of the bidder and QDSIM consortium partner(s) individually during last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be more than values as indicated in table below:-

Particulars	Average Annual financial turnover during last three financial years
Indian Bidder participating in the tender	Rs. 26.70 Cr.
QDSIM Consortium each partner	Rs. 26.70 Cr.

- b) The Net Worth of bidder and QDSIM consortium partner (in case of Consortium) individually as on the last day of the preceding financial year should be positive. (QDSIM consortium partner is the member of consortium who is holding FGD technology or FGD manufacturer).
- c) In case the bidder or consortium partner does not satisfy the financial criteria & technical criteria on its own, then the financial & technical credentials of its holding company shall be submitted along with letter of undertaking from its Holding company supported by the Legal Document pledging unconditional and irrevocable financial & technical support to the bidder for the execution of the contract for five years from the last month of the date of bidding or till completion of defect liability period whichever is later.
- d) The deed of joint undertaking (DJU), Consortium agreement should be submitted along with the Techno-commercial bid.
- e) Any Bidder (as defined under Reference - F.No.6/18/2019-PPD Ministry of Finance, Department of Expenditure, Public Procurement Division, New Delhi dated 23rd July 2020) from a country which shares a land border with India will be eligible to bid in this tender only if bidder is registered with the Competent Authority.

**(B) Bidding as EPC Organization with collaboration and Technology Transfer Agreement with QDSIM.**

- 1. Technical Criteria -** The Bidder should meet the following requirements:

	<b>MAHARASHTRA STATE POWER GENERATION CO. LTD.</b>	Volume: I
	Tender RFx : 3000021813	Section: IFB
REV: 00	INVITATION FOR BIDS (IFB)	Page : 10

- a) The bidder should be an Engineering, Procurement and Construction (EPC) organization, based in India, and should have executed directly or through its subsidiaries, large industrial projects on EPC basis (with or without civil works) in the area of power, steel, oil & gas, petrochemical, fertilizer and /or any other process industry with total value of such projects being Rs. 89.00 Cr. or more during last ten (10) years ending last day of month previous to one in which applications are invited.
- b) Such EPC project should have been in successful operation for a period not less than one (1) year within last 10 years prior to the date of Techno-commercial bid submission. Bidder to submit performance certificate regarding satisfactory operation from any end user along with relevant Purchase Order/Contract Agreement.
- c) In addition to above, the bidder should be having valid collaboration agreement or technology licensing agreement (TLA) with QDSIM for minimum 5 years or till completion of defect liability period of the allotted FGD project whichever is later.
- d) QDSIM should submit performance certificate regarding satisfactory operation of FGD system from any end user along with relevant Purchase Order/Contract Agreement. Such system should have been in successful operation for a period not less than one (1) year prior to the date of Techno-commercial bid opening.
- e) QDSIM is one who has designed, engineered, supplied, erected or supervised erection and commissioned/ supervised commissioning at least one (1) no. of Dry Sorbent Injection System, in a coal fired unit, having flue gas flow of not less than 4,00,000 Nm<sup>3</sup>/hr, with sulphur dioxide capture efficiency of at least 50%. The above Dry sorbent Injection System should be using Sodium Bicarbonate as reagent.

**2. Financial Criteria:**

- a) Average Annual financial turnover of bidder and collaborator (in case of Collaboration) individually during last 3 years, ending 31<sup>st</sup> March of the previous financial year, should be more than values as indicated in table below:-

<b>Particulars</b>	<b>Average Annual financial turnover during last three financial years</b>
Indian Bidder participating in the tender	Rs. 26.70 Cr.
QDSIM Collaborator	Rs. 26.70 Cr.

	<b>MAHARASHTRA STATE POWER GENERATION CO. LTD.</b>	Volume: I
	Tender RFx : 3000021813	Section: IFB
REV: 00	INVITATION FOR BIDS (IFB)	Page : 11

- b) The Net Worth of bidder and collaborator (in case of Collaboration) individually as on the last day of the preceding financial year should be positive.
- c) In case the bidder or collaborator does not satisfy the technical & financial criteria regarding Average annual financial turnover during last 3 financial years and Net worth on its own, then the technical & financial credentials of its holding company shall be submitted along with letter of undertaking from its Holding company supported by the Legal Document pledging unconditional and irrevocable financial & technical support to the bidder for the execution of the contract for five years from the last month of the date of bidding or till completion of defect liability period whichever is later.
- d) The deed of joint undertaking (DJU) & collaboration agreement / TLA should be submitted along with the Techno-commercial bid.
- e) Any bidder (as defined under Reference - F.No.6/18/2019-PPD Ministry of Finance, Department of Expenditure, Public Procurement Division, New Delhi dated 23rd July 2020) from a country which shares a land border with India will be eligible to bid in this tender only if bidder is registered with the Competent Authority.

**Bidders to note that:**

- 1) **Erection/Commissioning:** Where Erection / Supervision of Erection, Commissioning / Supervision of commissioning has not been in the scope of QDSIM, QDSIM should have acted as an advisor for erection and commissioning. Necessary documents / certificates from the client, in support of above shall be furnished along with the bid.
- 2) Net Worth means sum of paid up share capital and free reserves. Free reserves shall mean all reserves credited out of the profit and share premium account but not include reserves credited out of the revaluation of assets, write back of depreciation provision and amalgamation. Further, any debit balance and profit and loss account and miscellaneous expenses to the extent not adjusted or return off, if any, shall be reduced from the reserves and surplus. Other income shall not be considered for arriving at annual turnover.
- 3) The bidder should submit the documentary evidence such as audited profit & loss Statement, Net worth Statement, Balance sheet etc. In case audited results for the last

	<b>MAHARASHTRA STATE POWER GENERATION CO. LTD.</b>	Volume: I
	Tender RFx : 3000021813	Section: IFB
REV: 00	INVITATION FOR BIDS (IFB)	Page : 12

preceding financial year are not available, certification of financial statement from practicing Chartered Accountant shall be acceptable.

4) **Direct/ Indirect Order:** The Bidder/QDSIM shall also be considered qualified, in case the award for executing the reference works has been received by the bidder/QDSIM either directly from owner of the plant or any other intermediary organisation. However, a certificate from such owner of the plant or any other intermediary organisation shall be required to be furnished by the bidder along with its Techno-commercial bid in support of bidders/QDSIM claim of meeting the QR. Further the certification from owner of the plant shall be furnished by the bidder along with the Techno-commercial bid for the successful operation.

5) For annual Turnover indicated in foreign currency, the exchange rate as on seven (7) days prior to the date of Techno-commercial bid opening shall be used.

6) **Notes:**

(1) (Definitions)

(i) "QDSIM" (Qualified DSI Flue Gas Desulphurisation System Manufacturer) means a manufacturer meeting requirements stipulated at 8.1 A & B above.

(ii) Whenever the term coal fired is appearing above, coal shall be deemed to also include bituminous coal/ brown coal / anthracite coal / lignite.

(iii) Subsidiary Company means a company in which the Holding company exercises or controls more than one-half of the total share capital either at its own or together with one or more of its subsidiary companies. Such control should be for minimum 5 years or till completion of defect liability period of the allotted FGD project whichever is later.

(iv) "Flue Gas Desulphurisation System" or "FGD System" wherever appearing above shall mean consisting of DSI FGD System.

(2) **Erection/Commissioning:**

Where erection / supervision of erection and commissioning / supervision of commissioning has not been in the scope of the Bidder as mentioned in 8.1 A & 8.1 B above, the Bidder should have acted as an advisor for erection and commissioning.

	<b>MAHARASHTRA STATE POWER GENERATION CO. LTD.</b>	Volume: I
	Tender RFx : 3000021813	Section: IFB
REV: 00	INVITATION FOR BIDS (IFB)	Page : 13
<p>Necessary documents / certificates from the client, in support of above shall be furnished along with the Techno-commercial bid.</p> <p><b>7) Restrictions under Rule 144(xi) of the General Financial Rules (GFRs), 2017</b></p> <p>i. Any bidder from a country which shares a land border with India will be eligible to bid in this tender, only if, the bidder is registered with the Competent Authority (As per F.No. 6/18/2019-PPD, Ministry of Finance, Department of Expenditure, Public Procurement Division dated 23.07.2020).
