

Dear Vendors please follow the following steps to Download New Encryption Certificate

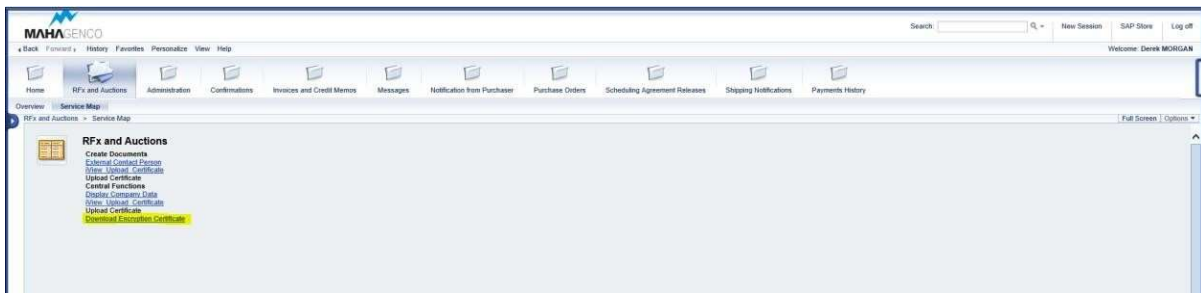

1. Open Mahagenco E-procurement Website <https://eprocurement.mahagenco.in> and login with your usual SRM credentials

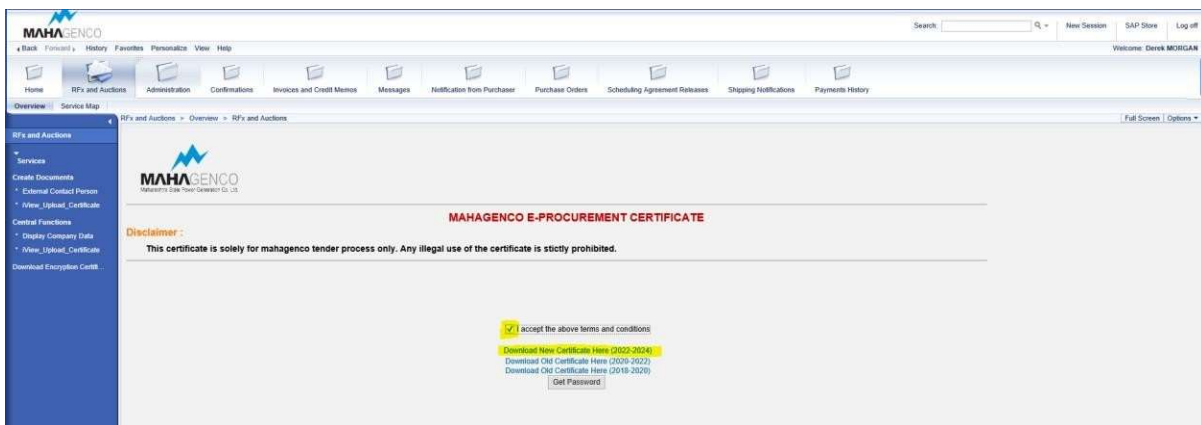

2. Go to RFx & Auctions >> Service Map

3. Click on 'Download Encryption Certificate'

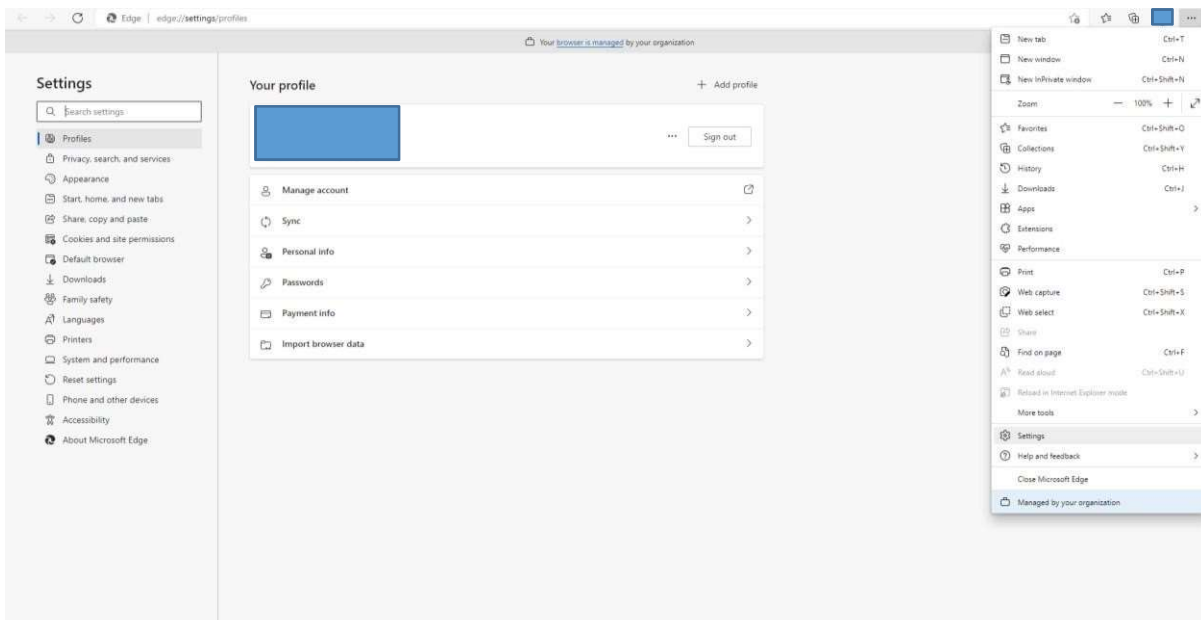

4. Select 'Accept' check box and click on link 'Download New Certificate here (2024-2027)'

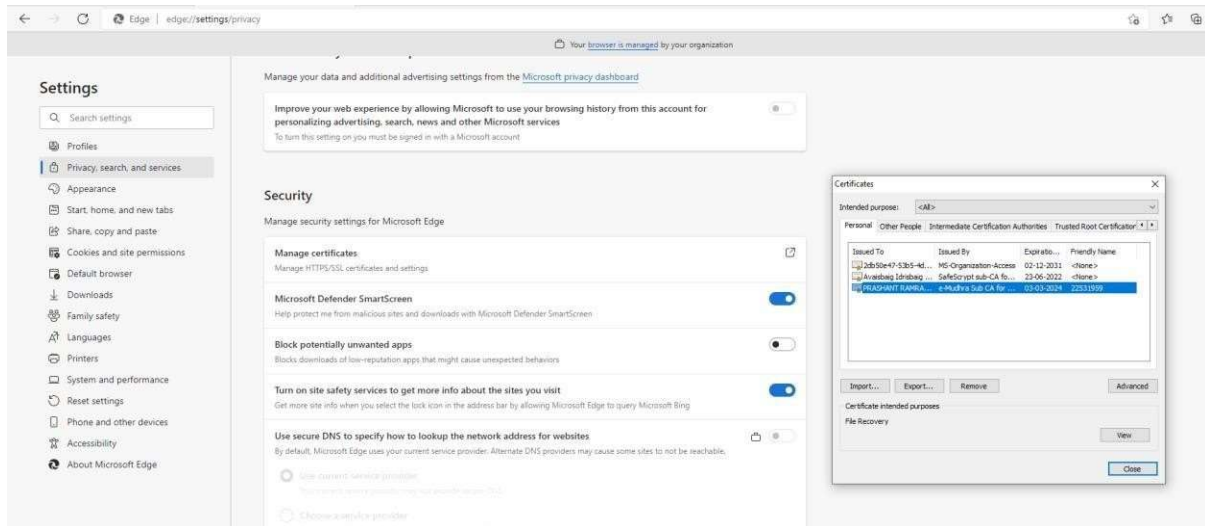

5. A .zip file will be downloaded, extract the contents, New Certificate will be available now.

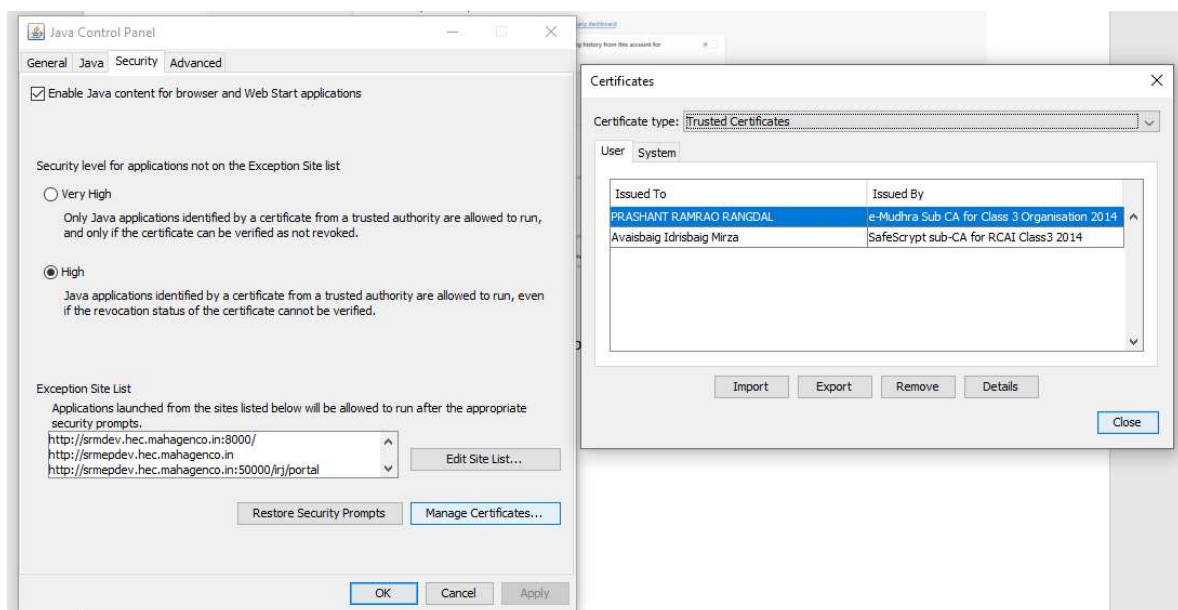

6. Import the new Certificate in Mahagenco SRM Compatible Browser – Microsoft EDGE and in JAVA for use henceforth.

- Open EDGE Browser, click on 3 dots (...) at the right hand side top corner to open options, go to 'Settings', go to 'Privacy, Search and Services', scroll down to 'Security' and click on 'Manage Certificates' in the new Pop-Up named Certificates, click on Import, then click Next and from Browse select the path of new certificate that is stored on PC. The password for the import of the certificate will be sent to your registered email ID

- Similarly, this new certificate is to be Imported in Java Control panel>>Security>>Manage Certificates

9. Bidders should only Use the new Encryption Certificate for encrypting/decrypting their bids from 04.03.2024 which will be made available on Mahagenco SRM Portal as shown above, i.e. RFX & Auctions >> Service Map >> Download Encryption Certificate.

For any further assistance, kindly contact Purchase Section of the concerned Plant/Location of the Tender.

NOTE: The responses that are in the saved status will have to be decrypted by the old certificate before they can be edited. Hence make sure that the old certificate is still maintained in your browser for the period till you need to edit the bids that were saved before the expiry of the old certificate. However, please note that all bids to be ENCRYPTED/DECRYPTED by the new certificate post expiry of the old certificate i.e. 04th March 2024 0000Hrs.
